Iowa Park High School Band Handbook

Fall 2022-Spring 2023

Welcome to the Iowa Park Hawk Band!

The Hawk Band program is excited to have you join the Iowa Park Band family! The fun experiences you will have in band will be unlike any other school organization! The band directing staff looks forward to a great school year and fantastic music making! Welcome to the Iowa Park Mighty Hawk Band!

Philosophy of Music

Every aspect of music is important and will be emphasized at various stages in a student's development. The Iowa Park music department stresses the advancement of the student's abilities to function in both the large and small ensemble setting. Music offers a unique opportunity to challenge each student cognitively, affectively, and physically. It provides for emotional expression, intrinsic worth, and has a positive impact on individuals, families, communities, and cultures.

Band Directors

Mr. Charlie Bradberry - Director of Bands

Mr. Rudy Leal - Head MS Director/HS Assistant Director

Mr. Jonathan Fortson - MS/HS Assistant Director

Uniforms

All band members will need to purchase a travel uniform, including jacket, pants, t-shirt, shoes, and hat. In addition, students need to purchase black socks for the marching performances throughout the year. For concert season, students will need to purchase an all black outfit which will be discussed in class. The uniform attire will be addressed before each performance throughout the year.

Auditions

Typically, auditions for chair tests are held when needed. Specific requirements and procedures will be posted and discussed in the band hall in advance.

Equipment Needs

Each learner must bring to class everyday: music, a sharpened pencil, their instrument (excluding percussionists) in good working condition, assigned music, and a good attitude. A student is strongly encouraged to purchase their own reeds, cork grease, oil, grease, etc. These items can be purchased at the Horn Drive, online, or at general music stores such as Sam Gibbs in Wichita Falls or through the band. See Mr. Bradberry.

Transportation Policy

It is the policy of the Iowa Park School District that all band members must ride school transportation to away events. Students may ride home with parents/guardians providing they sign out with their chaperone before.

Instrument Lockers

Band students may be issued a band locker in which to store their instrument and band music only. This is not a place to put clothes, school books or anything that is not band related. All non band items will be discarded at the discretion of the director.

Grading Policy

A. Class Participation: Each student will receive a weekly grade in band based upon his or

her participation, supply checks, written work, and memorization exercises. Students who are unable to participate because they have forgotten their horns, do not have proper supplies, or who have been asked to put their horns away for the day for any reason, will be given a zero for that day or week.

B. Public Performance Grade: Every band student is required to participate in all performances including but not limited to; fall football games and pep rallies, Christmas and Spring Concerts, Pre UIL and UIL Concert and Sight - Reading, and Music Festivals. An unexcused absence from a performance may result in the student failing band for that six weeks. Performances are MANDATORY and will count as a test grade in the grade book.

D. Test Grades: Include but not limited to: Playing tests, practice sheets, pop quizzes, written work, after school rehearsals, and public performances.

E. Daily Grades: Include but not limited to: Class Participation, Supply Checks, Written Work, Work Habit.

Students who repeatedly disrupt band class, performances, or rehearsals may be permanently removed from Band at the discretion of the Band Directors.
- I. Acts of theft, vandalism, violence, disrespect of any other serious discipline infractions, as deemed by the Directors, may result in immediate, permanent removal from band at the discretion of the Band Directors.

Discipline for Trips and Concerts

- Students will be expected to follow all IPCISD School rules of conduct for all band activities on and off campus.
- If a student's behavior causes them to be a danger to himself or others, or the student repeatedly refuses to respond to a director's instructions, the student will be sent home at the parent/guardian's expense.

Spring Trip/Travel

- Eligibility to participate/attend trips with the band depend on the following: students must have paid (whenever payment is necessary)/made arrangements to pay, be academically eligible to participate for the current 6 weeks, and may not have been placed in ISS for any class or subject 6 weeks prior to the trip. Students who lose their eligibility due to academic or disciplinary reasons or choose to not participate after paying will not be given a refund of their trip money. Any placement in AEP may render the student ineligible for any band trip that year at the discretion of the Directors. - Travel: All students must ride the bus with the organization to all selected events unless the student's parent/guardian have made previous arrangements with the Directors at least 24 hours prior to the departure date, and have a signed note from the principal.
 - All students leaving from a performance must sign out with a director or sponsor and must leave with a parent or guardian. No student will be allowed to ride home with someone other than a parent or guardian. Failure to do so will constitute a major disciplinary infraction. Only parents/guardians may sign a student out from an activity.
- After School Practices and Sectional Rehearsals
- Throughout the course of the year, students may be required to come before or after school for practice. In the event of after school practice, ample notice will be given through written communication via a student handout, Facebook (Iowa Park HS Band), Twitter @IowaParkMGM2, Group Me, or email. All after school practices are required and grades are given.

After School Transportation

- It is the responsibility of the Parent/Guardian to pick up their student no later than 15 minutes after they are dismissed, e.g. rehearsals, away games, sectionals, Monday night practice or any trip. Any student who is late being picked up twice will lose their travel privileges.

Instruments

School Horns

- Use of a school horn is a privilege - not a right. Any band director may withdraw that privilege at his or her discretion and the student will forfeit all fees paid to date. - Students who play school horns are responsible for securing and protecting the horn from theft or damage. If they fail to do so, they and their parents/guardians are responsible for the repair or placement of the horn.
- Not having an instrument to play will be grounds for removal from the band program.
- Students will bring their horns (in good repair) to class every day and to all performances. If a student does not have a horn with them, a director may assign them other duties or assignments and/or lower their grade for that day or performance. - Under no circumstance will an instrument from a large disruption center be accepted in the IPCISD and program. this means that we will not accept any instruments from Wal Mart, Sam's Club, e-bay, etc... Instruments bought at these stores cannot and will not be repaired by our vendors or reputable instrument repairman. All instruments owned by individuals must pass directors approval in order to be used in the IPCISD school band program. If a horn is deemed by the director as unfit for the program that instrument may not be used in class or at an outside school function/performance.

Individually Owned Instruments

- Students who are not assigned a school instrument are expected to supply their own horn through private means. This may include the option of buying, renting from a music store, or borrowing an instrument.
- If repairs are needed, please let a director see the horn before sending it into the shop! If the horn needs to go to the repair shop, a maximum of 2 weeks is allowed for the repair. The band director must know which shop is working on the instrument so that we can monitor the progress of the repair.
- All instruments owned by individuals must pass directors approval in order to be used in the IPCISD school band program. If a horn is deemed by the director as unfit for the program that instrument may not be used in class or at an outside school function/performance.

*****RENTAL RETURN POLICY*****

- IPCISD and its employees will not be held responsible for the return of any instrument back to the music company from which the instrument is being purchased or rented. - The band staff may be able to pass along the instrument that needs to be returned as long as prior arrangements have been made with the directors and the music company. The ability and option of such arrangements are strictly and solely at the discretion of the Iowa Park Director of Bands.

School Owned and Privately Owned Instruments

I acknowledge that I will not hold the IPCISD Band Directors or anyone affiliated with IPCISD responsible if my child's instrument should be damaged, lost or stolen while being transported to a vendor or being held for a vendor to pick up for repairs or service, or repaired by a director.
